## **Acceptance of Central California Alliance for Health: Medi-Cal Outreach and Retention Grant Award in the Amount of \$25,000**

**Grant:** Medi-Cal Member Outreach and Retention Program (Tier 1: Outreach & Education)

**Funder:** Central California Alliance for Health

**Award Amount:** \$25,000 (awarded)

**Award Date:** April 24, 2026

**Grant Term:** 14 months

Bloss Memorial Healthcare District has been awarded a \$25,000 grant from the Central California Alliance for Health through their Medi-Cal Outreach and Retention Program.

This funding will allow us to expand our Health on the Go, Atwater program to help residents better understand and maintain their Medi-Cal health coverage. As we know, a significant portion of our district (about 50%) relies on Medi-Cal, and with recent changes, there is an increased risk of people losing coverage simply because they miss a notice or do not understand the renewal process.

Our existing staff will implement this program by:

- Integrating Medi-Cal outreach and education into Health on the Go – Atwater
- Providing community-based outreach, education, and awareness on Medi-Cal renewal requirements
- Participating in community events (i.e. health fairs, farmers market, school events) with trusted partners, and high-visibility messaging, including our electronic billboard
- Connecting residents directly to enrollment and renewal assistance organizations to access additional support

Our next steps are to finalize the agreement by May 15, attend the required orientation on May 13, and begin implementation shortly after. The grant will be paid 75% upfront following agreement execution, with the remaining 25% provided after final reporting.

Overall, this is a strong opportunity to expand our outreach, improve access to care, increase visibility for BMHD, and ensure our community remains connected to critical health care and coverage.

Dear Mr. Billings:

It is my pleasure to inform you that Central California Alliance approved your organization's Medi-Cal Member Outreach and Retention Tier 1 grant application in the amount of \$25,000 on April 24, 2026.

**Your signed Grant Agreement is due to the Alliance by May 15, 2026, via DocuSign signature submission.** Your Grant Agreement establishes the purpose, terms, and conditions of the grant award. Please review the Grant Agreement very carefully, including its reporting requirements. Grant funds will be distributed based upon the terms and payment schedule outlined in the Agreement. If you are not able to meet this deadline, please let us know.

Once your agreement is fully executed, you will receive a confirmation email outlining the key steps for your Alliance grant and how to access your required forms and your fully executed Grant Agreement in the online grant portal. Key steps are also outlined in the attached Grantee Checklist.

**Please ensure your organization's grant lead attends a required MOR grantee orientation session to be held virtually on Wednesday, May 13, 2026 from 11am to noon.** The purpose of this orientation session is to provide an overview of MOR grant management and requirements, review resources available to you, and answer any questions you may have. Other members of your team are also welcome to attend. The session will be recorded. A registration link will be emailed to you by Tuesday, April 28, 2026. You would share this with other team members who plan to attend so each person may register individually.

One of the next steps you can take right now is to obtain a letter on your bank's letterhead that formally certifies your organization name, bank account routing number, account number and account type. This information will be used for your grant payment. You will upload this letter in the online grant portal when you receive instructions in your confirmation email.

If you have any questions or any technical difficulties using the DocuSign process, please contact Grant Program staff at [grants@thealliance.health](mailto:grants@thealliance.health) or (831) 430-5784.

We're pleased to partner with you and invest in your efforts to help Alliance Medi-Cal members stay enrolled in coverage. Thank you in advance for your timely response to these next steps and for helping ensure a smooth onboarding process.

Sincerely,

Jessica Finney  
Community Grants Director
